Our Nipper Policy

- We welcome children at Jaspers, Berry.

As parents and Aunties & Uncles, we know that the enjoyment of your Guests sometimes relies in putting their child care worries aside with the provision of safe, convenient and fun child care minding nearby

- Due to our Insurance Policy, any child under the age of 12 years attending the function must be supervised by an accredited Child Care Agency. Our preferred agency for child care minding services is called Daisy Care Agency (T: 0412 138 755)
- Guest Rooms will be allocated for child supervision. These rooms are where the children will be supervised during the Wedding Reception so that parents can relax and enjoy the wedding party knowing that their children are safe and being well looked after
- If the children are to be seated in The Orangery, and a place setting and chair are provided, then the Venue Hire price will apply per child. Otherwise the children can eat under supervision of the Nanny in the designated area within the Guest House Verandahs. They are most welcome to be part of the evening celebrations, however the Nanny must be with them at all times
- The Venue Hire Charge does not apply if children eat under supervision of the Nanny in the designated area within the Guest House Verandahs
- The number of Nannies required for supervision is dependent on the age and number of children attending
- Jaspers, Berry does offer Children's Meals, which are served to the children by the Nannies. The cost per Child's Meal is \$30 +gst
- Due to OH&S Regulations, Jaspers, Berry does not provide high chairs, cots or bassinets
- Prams, strollers and bikes cannot be taken into the Guest Rooms
- Jaspers, Berry does not provide cots, bassinets or children's bedding
- Daisy Care also offers off site Child Care Minding facilities for your convenience. Please contact them directly for additional information
