Taxis and Mini Buses must be pre-booked by Guests for transfers to Berry (approximately 5min drive)

## Our Nipper Policy

- We welcome children at Jaspers Berry  
As Parents and Aunties & Uncles, we know that the enjoyment of your Guests sometimes relies in putting their child care worries aside with the provision of safe, convenient and fun child care minding
- Due to our Insurance Policy, any child under the age of 12 years attending the function must be supervised by an accredited Child Care Agency. Our preferred agency for child care minding services is called South Coast Nanny Agency - 0412 138 755
- Guest Rooms will be allocated for child supervision. These rooms are where the children will be supervised during the Wedding Reception so that parents can relax and enjoy the Wedding Reception knowing that their children are safe and being well looked after
- If the children are to be seated in The Orangery and a place setting and chair are provided, the Venue Hire price will apply per child. Otherwise the children can eat under supervision of the Nanny in the designated area within the Guest House Precinct. They are most welcome to be part of the evening celebrations, however the Nanny must be with them at all times
- The Venue Hire Charge does not apply if children eat under supervision of the Nanny in the designated area within the Guest House Precinct
- The number of Nannies required for supervision is dependent on the age and number of children attending and this ratio is determined by Australian Childcare Alliance
- Jaspers Berry does offer Children's Meals, which are served to the children by the Nannies. The cost per Childs Meal is \$35+gst
- Prams, strollers & bikes cannot be taken into the Guest Rooms
- Jaspers Berry does not provide high chairs, bassinets or children's bedding. Parents are welcome to supply these items
- South Coast Nanny Agency also offers offsite Child Care Minding facilities for your convenience. Please contact them directly for additional information - 0412 138 755
